

PENOBSCOT INVESTMENT MANAGEMENT WELCOMES JARRET DEWBERRY

April 20, 2021 - Penobscot Investment Management is pleased to introduce our newest team member, Jarret Dewberry. Jarret joins us as a Client Services and Operations Administrator.

When asked, Jarret said what attracted him to Penobscot was having the ability to work for a company that wants to help its clients reach new heights. He also said it was being looked at as a partner with fresh ideas that can help the company and its clients succeed as opposed to just an employee.

Most recently, Jarret served as a Client Associate at Merrill Lynch and prior to that, as Operations Administrator at Brown Brothers Harriman. He holds a Bachelor of Science (BS) in Finance and Financial Management Services from Bay State College.
